The call to action to end poverty, protect the planet, ensure that all people enjoy peace, prosperity, and to adopt ways to create an impact while including new areas such as climate change, economic inequality, innovation, sustainable consumption, peace and justice, among other priorities is primordial. The SDGs work the spirit of partnership and pragmatism to make the right choices now to improve life in a sustainable way, and work collaboratively through our smallest actions for future generations.

**Together we can bring a change**

EO Solutions is committed to responsibly handle waste products from our equipment's in recycling facilities so that the waste does not end up in landfill.

Our main aim is to Reuse and Repurpose material where feasible, and Recycle what can't be reused.

By helping us in our 'USED CONSUMABLES RECOVERY PROGRAM' you are contributing to responsibly making a positive impact.

We provide a Certificate of E-waste for Destruction & Recycling at the end of your Financial Year (upon request)
